Carknard Fund--financial assistance

Kathi Carknard and her family founded the EC Youth fund in 2006 as a tribute to her husband Ed Carknard. The fund financially supports any family in the Town of Hoosick who may need assistance with the costs of having their children play sports.

She spoke to the class of 2013 about the importance of giving back in their communities and how important it is to "pay it forward" in life.

Carknard urged the students to take the time to think about how they got to where they are in life and to think about what they can do to help others succeed as well.

"Wherever you are," said Carknard, "it's a perfect time to give back." This she spoke to the senior class, and what powerful words.
