

Donations

The Hoosick Fall Soccer Club is a local community volunteer-run organization. Our goal is to utilize the game of soccer to encourage teamwork, sportsmanship, and athleticism and thereby foster the positive development of our youth in a fun and safe environment. We strive to provide an extraordinary family soccer experience to the Hoosick Falls Community and currently have over 350 participants in our program every year. The results speak for themselves with 3 varsity girl's state championships and strong finishes by the boy's varsity over the last decade. These were due to the quality feeder program our Club provides to the school.

As a not-for-profit organization, we rely heavily upon the philanthropy of public and private donors. If you would like to donate to the HFSC club please email John @ drjemireone.net for more details.

Thank you,

HFSC Board Members
